# JULIEN LEVY IS NOTHING WITHOUT YOU

---

Edgy artist Julien Levy will take over Garis & Hahn October 16 - November 15 with a mixed media solo show, *Without You I'm Nothing*. The exhibition features, among other TK, two projects Levy previously showcased at CHANEL's Nexus Hall, Tokyo: a series of small-scale photographs that visitors will view through a magnifying glass and a video installation, starring the Japanese model (and social media marvel) Kiko Mizuhara.
