Fact Sheet

cutlog NY contemporary art fair opens for its second New York edition May 8-11, 2014. Over 40 galleries and curators will present work by the most cutting-edge contemporary artists in a series of art, installations, performances, and talks. The fair aims to foster new relationships between galleries, collectors and art institutions, forming a collaborative platform for building new perspectives on contemporary art. cutlog NY returns for the second year to the Clemente, a magnificent Dutch Neo-Gothic building and the Lower East Side's premier cultural venue.

NUMBER OF EXHIBITORS

48, from countries including Chile, France, Germany, Israel, Malaysia, The Netherlands, Serbia, Switzerland and the United States.
